

Demarest Swim Club Reopening Corporate Sponsor Form

Demarest Swim Club is seeking community help to reopen in 2024. Increased costs for supplies and staffing, in addition to changes due to Covid-19, have created setbacks. The Swim Club Board has added members with new ideas and will be seeking new management to invigorate pool activities and membership. The team is making plans for infrastructure improvements. Your generosity will ensure that this special pool will open this summer for camps, swim lessons, swim and dive teams, senior citizen fitness, family fun, and community connections.
